VOL. XXXVII NO. 12 P.O.BOX3454, TUSTIN, CA.32681 DECEMBER 1996

### The Prez Sez,

Another year is quickly coming to an end. For those who missed the Christmas Dinner, let me also extend my best wishes for a joyous and safe Holiday Season to you.

The Christmas Dinner was a success. We all owe Jane thanks for planning such a one get together. The China Palace provided great food (and lot's of it), excellent service, and a nice room where we could enjoy ourselves. The only negative part of the evening was that the turnout was light. Only lifteen or so members and guests were present. Many who signed up didn't make it to the dinner. They missed a good event!

"Good of the Club" Award:

One event at the Christmas Dinner is the presentation of the "Good of the Club" award. I collected up to three names from each board member (I could reach) and tallied up the results There were numerous excellent and deserving choices nominated by the board. Among them, in no special order, were: Tom, PFA; Frank, VKZ; Steve, NAH; Bob, BWH; Larry, LDC; Don, ON7; Bud, VPP; Bob, IXN; and Larry, VDP. Two other nominees who I'd like to give special recognition to are Jane, TAM and Kei, NGO; both are previous winners. of the award. Jane has been under the weather for most of the past year. Still, she has outright planned, or assisted with, many club events. For much of this year she also provided home baked delights for our meeting refreshments. It is good to see Jane starting the road to recovery. Kel, well if there was a permanent "Good of the Club" award he would be the recipient. So much of our success at Field Day is a direct result of Kei's hard work: and thats just a small part of his contribution to the club.

The Envelope Please:

This year the award goes to Art, WOK Congratulations - and thanks for your participation.

Finally, I'd like to thank each member of the board for their contribution. Everyone did a good job. The only casualty was the Activities Chairman, John, TK, who had to take on a long-term work assignment and left the board. John, I hope to see you back at a meeting soon, I've got some graphics and ideas for the OCARC web page!

### A New Year

At the Christmas Dinner, the gavel was turned over to our new President, Frank WA6VKZ Let's all support him and make 1997 another good club year. Farewell; old club presidents don't die, they just start working DX

# THE NARSmen

The Newport Amateur Radio Society was incorporated on June 4, 1962. The Club centered around Heliopot and Beckman Instrument employees who were Hams wid interests in the technical areas of Amateur Radio. Club flourished during the 60s and 70s. IXN gave his vy first presentation on Black Holes to the NARSmen in the early 70s! Over the years, many NABSmen were simultaneously OCARC members, and some are in our ranks today! Club formality, Roberts Rules of Order, etc., was sacrificed for tachnical interests, thus the reason for so few Club records! NARS dues records ended in 1975. When tax forms for the Corporation were not filed in 1977-78, and no further meetings were taking place, Paul Taylor attempted to file Corporation Dissolution Papers for NARS, Inc., in June of 1980. But, because of lack of funds in the Treasury, and other communications problems, the Corporation was never dissolved! WoMRO, former call of Braz Brazleton, is the Club Call. And present Custodian of the Call is Ray Davis, Went. IXK has the Club Seal in OCARC memorabilia. In the list below, how many namen, faces, & memories can you recall?!
